We had more happy reunions this week. I do not have photos of all of them. Here are some former students. One of my former students, General, needed a new English name. I suggested George, and he likes it. His

camera took these 2 cropped photos:

John, Jan, Ron, Ed Ed and George Beauty (last year)

I do not yet have the photos of Beauty when she visited Ron.

Ed, Lorelle, Ron, Simon (very happy after the event of the next photo)

I am expecting more visits by former students.
