

Haiti - Scenery Some of the beauty of the plants and landscape is shown in these photo examples.

Tree flowers attracted hummingbirds.

Mango trees were everywhere.

Mango fruit and leaves

Flowering vine on tree

Into deforested mountains

Banana farm

Next is a panorama from the top floor of the Food for the Hungry guest house.

Tree flowers

Open fields at first clinic site

Used for hedges between fields

mushroom

fence in Roy Sec

Majestic on the roof

View at Nordette

Mango tree at Nordette

Storm clouds at Nordette

Sheltered in the storm

Saut d'Eau waterfall

Breakfast

Port-au-Prince harbor

view of capital city

near city center

beauty in Cite Soleil

last view of Haiti - its north coast and island
